Frogs (pre-school)

This month in Preschool

We have been learning about 'Under the Sea'; we talked about what lives in the sea and what we might find under the sea. We drew and painted pictures of fish and made jellyfish from paper plates and wool. We shared the story Fidgety Fish. We extended the learning to find out about water and its uses

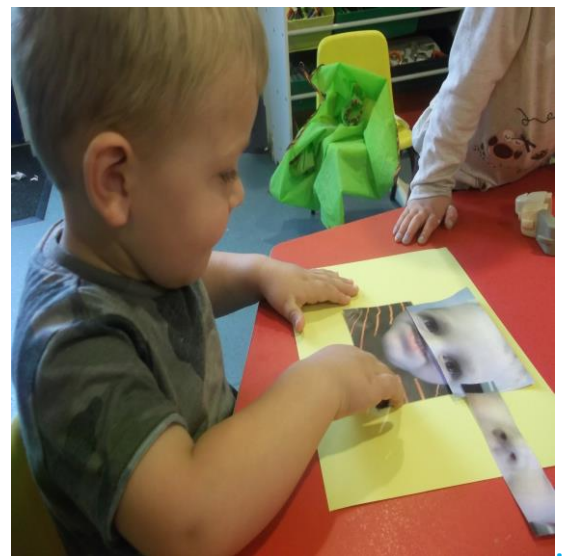

We explored floating and sinking by finding various objects to test in the water tray. We also made boats and put them in the water tray to see if they floated.

We have also been looking at Food and Healthy Eating and tasted a variety of fruits and made a chart to show which fruits we liked and didn't like. We did fruit printing, making plates of healthy/unhealthy foods and discussing why we think they are healthy/unhealthy. Why don't you have a look at our chart!!

Tadpoles(2-3)

We have been enjoying learning about our bodies this month. We have been drawing around each other and labelling our body parts as well as doing body puzzles using our thinking skills.

We have been talking about our families and people who are special to us. We have become very confident in sharing photos with the whole group. We have made some special keep sakes for our families to display at home.

We are now moving on to exploring shops and looking at the different money you come across. We will be practising counting the money that we find.

'Wow' moments

We are really interested to know what you are doing outside of nursery.

Please email gemma.curtis@abbeywoodtots.com of any photos so we can talk about them during our group times and to display.

Butterflies (babies)

After planting our sunflower seeds we have been watching them grow bigger and bigger and have planted some outside in our garden so we can let them grow into big sunflowers to make our garden look pretty, we make sure we water them when we go outside.

We have been looking at our family photos that we have brought in to share with our friends and made a display and a book to look at together.

Dates for the diary

- 15th May - Photo day
- 12th June – Play and stay week
 - 26th June – Parents week
 - 3RD July 2.30pm - Sports Day
- 18th July 10.30am – Graduation for Preschool

Don't forget to bring in wellington boots and waterproof clothing for your child! Also summer is coming – all children need a sunhat and sun cream at Nursery please!!
