Frogs (pre-school)

This month in Preschool

Frogs had their sports day! We had a lovely time participating in the sack race, sprinting, egg and spoon race and the obstacle course. Thank you to all who came and a special thank you to the parents who took part in our relay race!

It has also been our Pirate week. We have enjoyed making treasure maps and going on a treasure hunt. We made pirate boats and tested them in the water tray to see if they would float or sink.

Quick reminder: Graduation to say goodbye to all the children going to school is on Tuesday 18th July at 10:30am.

Tadpoles (2-3's)

The tadpoles have been following instructions and listening to the steps we need to take to care and grow for our seeds.

We also have been practising using our fine motor skills by cutting along different and mark make using different tools.

This week we will be problem solving and working together with our peers to complete new activities.

'Wow' moments

We are really interested to know what you are doing outside of nursery.

Please email gemma.curtis@abbeywoodtots.com of any photos so we can talk about them during our group times and to display.

Butterflies (babies)

The babies made the most of the rain we had and made different coloured puddles to jump in and to mix up making different colours.

We have been very interested in our singing time so we have focused on all the different nursery rhymes we have been singing together. We made bottle shakers to use, twinkle stars to hang up in our room and made an old mac donald farm out of cardboard boxes to put our small world animals in. We have also noticed our apples are growing on the tree we have picked up the fallen apples and used them to make apple printing pictures.
