Knowle Nursery Newsletter

Frogs (pre-school)

This month in Preschool

We have been learning about ourselves and what our bodies can do. We talked about the different parts of our bodies and what we use them for e.g our arms/legs. We tested our lung power by blowing different items along a race track and explored our heartbeats by doing different exercises.

We had a lot of fun raising money for charity. We had a cake sale over the course of the week and Preschool got involved with selling the cakes to our families and also went to sell cakes next door at The Park café.

We also took part in a sponsored obstacle course which involved: holding an egg and spoon as we moved across a balancing beam, jumping in a sack around cones, going under a limbo, through a tunnel and then throwing bean bags into hoops. We had lots of fun doing this!!

Tadpoles (2-3's)

The tadpoles have been learning about our emotions and feelings, we have been reading books about emotions and talking about what makes us feel happy and sad.

We had a special visit from Travis and Tommy the tortoises and had the opportunity to feed and pet them.

This week we will be learning about following instructions by planting seeds, we will be watching them to see how they grow.

'Wow' moments

We are really interested to know what you are doing outside of nursery.

Please email gemma.curtis@abbeywoodtots.com of any photos so we can talk about them during our group times and to display.

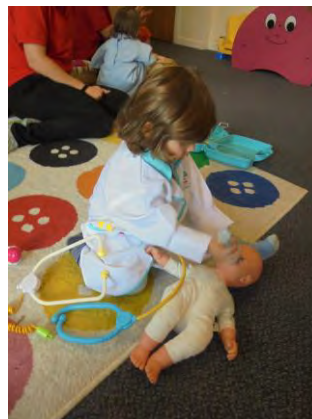

Butterflies (babies)

The babies have been very interested in hiding under or in things. So for our activities We have been very busy making a cosy den for our room and using large cardboard boxes in our pretend play.

We have also been using our gentle hands by looking after our friends and baby dolls pretending to be doctors and nurses.

Dates for the diary

- 12th June – Play and stay week
- 26th June – Parents week
- 3RD July 2.30pm - Sports Day
- 18th July 10.30am – Graduation for Preschool
