

Welcome.

In June we have had a lot of children transitioning from Tadpoles to Frogs which has run very smoothly, if your child has transitioned or is about to please do not hesitate to talk to us if you have any concerns or you would like more information. In June we had successful stay and play sessions with many parents joining in. July 19th was graduation day with the pre school children putting on a show for their families it was lovely to see you there the children worked very hard to learn the routines. We wish them all the best of luck, health and happiness for their futures

See below for what we have been up to in June and July

Baby Floor.

June the babies have been learning about physical activity taking part in baby yoga. They have been looking at the Very Hungry Caterpillar story and having a picnic with the pieces of fruit from the story and counting 1,2, 3. They have also been looking at different animals and making animal footprints, masks and moving like various animals.

July we have been exploring different textures, painting with our hands and feet and fruit printing.

Tadpoles.

June the Tadpoles have been learning about healthy living. Doing exercise, dancing and an obstacle course. Cutting up and exploring fruit making fruit kebabs and a trip to the shops looking at healthy and unhealthy foods. They have also been exploring sounds of different instruments, playing them along to a rhythm of the music. They have been using coloured ice to mark make and texture rubbings in the garden encouraging descriptive language.

Exploring light and dark using torches to make shadows

July the tadpoles have been reading The Hungry Caterpillar and The Gingerbread Man they have made puppets to use along with the stories , looking at the life cycle of a butterfly, growing grassy caterpillars, Listening to music and interpreting fast and slow movements to the music, Being creative and Looking at different Animals

Frogs.

June the Frogs have been looking at Transport they have been watching the traffic making tally charts charting the vehicles going by, they have made fruit trains and learning and discussing road safety. They have also been learning about growing things, looking at a tree life cycle, making leaf collages, growing cress and a trip to the allotment to plant seeds, looking for mini beasts and learning the life cycle of a butterfly, creating a caterpillar by painting with balloons.

July the Pre schoolers had their graduation which they practiced some dances for you. Thank you to everyone who came and hope you enjoyed their show. They have been looking at how we stay healthy, Making relationships, Dinosaurs, making dinosaur eggs, biscuits and tracks
