

Abbeywood Tots Stockwood News Letter

Frogs

The frogs have been busy getting ready for graduation and celebrating summer. The children made and tasted their own ice cream. The children made rainbows using power paint and puddles outside, exploring and mixing the different colours.

Blaise castle trip

The children went on a trip to Blaise castle, they enjoyed playing parachute games.

Some children went on a bear hunt around the woods whilst others used magnifying glasses to hunt for bugs

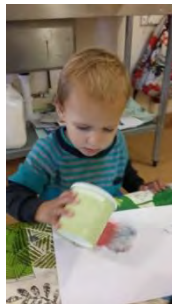

Graduation 2017

The class of 2017 had their graduation ceremony. We welcomed all our parents and carers to join in the celebrations. The children were fantastic and sharing their memories. We would like to wish all of the children good luck in their new schools

Tadpoles

The tadpole children have been taking part in some forest themed activities with Clare. They used hammers, pegs and tarpaulin to build dens and magnifying glasses to hunt for different creatures around the allotment and forest room. Tadpoles also had a beach day; they enjoyed playing hook a duck and making coloured sand collages

Butterflies

The children have been interested in construction, using a variety of different resources to build structures. Butterflies have also been exploring make making in shaving foam.

July 2017
