

Abbeywood Tots (King Street) Newsletter - November 2017

Pre-School

This month the pre-school have been using a hand made post box to help with our speech and language activities. They were looking at the images and after recognising what they were, they were posting them! This enabled them to say what they could see as well as having fun at the same time! We have also been exploring fruit and vegetable printing, we cut apples into different sizes and shapes, dipped them into paint and pressed it onto paper!

Caterpillars and Butterflies

This month the babies have been sensory bottles by using glitter, conditioner and hair gel. The children got stuck in to mix all the ingredients together! The younger babies have been exploring the spaghetti and mixing it with shaving foam and food colouring!

Tadpoles

The tadpoles have been very busy so far, this month. At the start of the month we were celebrating firework night by making our very own collages with glittery pens! We have also been cutting into potatoes and then printing with them to see what marks we can make!

Stay and Play

Thank you so much to all our parents for coming into the nursery and staying to play with us! We had such a lovely week being able to showcase what we do within our normal daily routines. Our next stay and play week will be Spring next year!

Getting Involved

Children in Need

Thank you so much for all of your kind donations! We managed to raise £112.00 over the two days. We had a great time dressing up in our spots and pyjamas and the cake sale was a brilliant success, we hope you enjoyed the treat 😊
