Pre-School

Pre-school children this month have been interested in the topic knights, where they created their very own knight castle, coats of armour, shields to protect them and looking at a real life knights helmet.

They have been acting out scenes by using the helmet to create real life scenarios. We then themed the role play area in our garden into a castle and used our sweeping brushes as pretend horses.

Caterpillars and Butterflies

The babies enjoyed using different resources to complete painting pictures by using pumpkin, potatoes and their hands to create different textured pictures. They also enjoyed decorating their biscuits for Halloween.

Tadpoles

The tadpoles have been doing some exciting experimenting this month by making 'applecanos' and watching what happens when you mix bicarb of soda with vinegar. They have also enjoyed taking part in our obstacle course focusing on physical movements and hand eye coordination.

Halloween

Thank you to all the children that came dressed in their spooky costumes we hope you had a fun day filled with games and activities!

Getting Involved

Children in need week:- Roll out of bed and come dressed in your pyjamas on Thursday 16th and show your spots on Friday 17th November to raise lots and lots for children in need, we will be making our very own Pudsey bear and holding a cake sale on both days.

Stay and play:- Come and book a time to join in with your child's play. This is lovely opportunity to see what your child does during their day to day nursery life as well as have an informal chat with your child's keyworker.
