

Abbeywood Tots

Day Nursery & Pre-School

Stockwood Nursery's newsletter for August

Butterflies 0-2's

The butterflies have been exploring different ways of mark making. We used a variety of

different tools,
such as brushes,
rollers and fruits.

We enjoyed looking at the
different marks
we had made.

Tadpoles 2-3's

The tadpoles have been discovering different types of sounds.

We have looked at different types of musical instruments and

we have used cereal, popping candy and water to make different sounds. We enjoyed using our hands and feet to make noise!

Frogs 3-5's

The frogs have been enjoying environment walks. We have been to the parks collecting objects and taking them back to nursery to speak about them. We spoke about their texture, smell, and where they came from.

Abbeywood Tots

Day Nursery & Pre-School

Wows

Please share the moments that you are really proud of for us to celebrate here at nursery. This might be when your child eats all of their dinner, or makes a good choice

Dates for the diary

11th September - Start of new term

How you can help us?

We are looking for any food packaging that we can use in our role play areas e.g. pringles packets, laundry bottles.

Don't forget to bring in warm coats, hats, scarves and mittens/gloves please as we go out all weathers
