Day Nursery & Pre-School

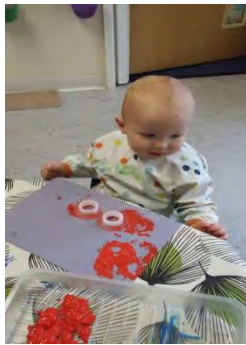

Stockwood Nursery's newsletter for October

## Butterflies 0-2's

The butterflies have been exploring loose parts, using them in different ways to extend their own ideas. We used the different items

to create a variety of different marks

in the paint.

## Tadpoles 2-3's

This October, our tadpoles have been exploring different activities for Halloween. We have helped carve and scoop out our very own pumpkin to improve our moving and handling skills and to engage in some sensory exploration by feeling and smelling the inside of the pumpkin.

## Frogs 3-5's

As we enter autumn the children loved exploring different objects that we collected in nursery or that the children bought in from home. We went on leaf hunts, made leaf prints in play dough, played conker rolling games and sorted all the objects into size.

We also had a dentist week where we had a special visit from our local dentist Anne!

Day Nursery & Pre-School

## Wows

Please share the moments that you are really proud of for us to celebrate here at nursery. This might be when your child eats all of their dinner, or makes a good choice

## Dates for the diary

Half term wc 23<sup>rd</sup> October  
Play and stay week 6<sup>th</sup> November  
Photo day 13<sup>th</sup> November  
Parents and carers week 20<sup>th</sup> November

## How you can help us?

We are looking for any food packaging that we can use in our role play areas e.g. pringles packets, laundry bottles.

**Don't forget to bring in warm coats, hats, scarves and mittens/gloves please as we go out all weathers**
