Tadpoles.

The Tadpoles during November and December, Looked at All about Me noticing similarities and differences between us. We also looked at numbers colours, body parts and animals. We got physical with an obstacle course, dancing, and football and parachute games.

We made lots of different Christmas crafts and learnt new songs we joined the Pre School in their Christmas production and all worked hard learning our parts .and enjoyed our families coming to watch us.

Frogs.

The Pre school children during November made a lovely splatter painting firework display which was very messy and great fun to do. They made rockets and numbered them 1 – 5. We practised our pencil control with following lines, zig zags, waves on writing sheets. Matching numbers and quantities with stars, designing rockets from squares, triangles and circles.

December the children worked very hard and put on a fantastic play The Littlest Christmas Tree. Thank you all for providing such lovely outfits for your children and coming to see their production we were extremely proud of them all. The children also made lots of Christmas crafts which we hope you liked .
