

## Abbeywood Tots (King Street) Newsletter - January 2018

### Pre-School

Frogs have enjoyed doing lots of messy arts and crafts this month using different resources to create their very own master pieces. The frogs have been discussing what happens if you mix different colours together and what the outcome may be. They have enjoyed exploring different textures for example putting glitter in the paint and seeing what it will look like and how it will feel once the paint has dried.

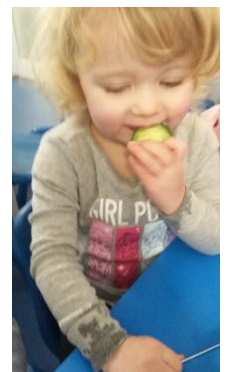

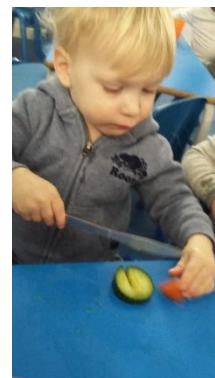

### Caterpillars and Butterflies

The babies have enjoyed exploring the different toys that focus on using their fine motor skills using trial and error to figure out what part may go next. The babies have also enjoyed some bonding time involving lots of messy play.

### Tadpoles

The Tadpoles have enjoyed exploring new foods this month and trying the different textures and flavours by putting their taste buds to the test. They have been using their own utensils to carefully cut and serve up the different foods.

## Trips

Babies, Toddlers and Pre school have all enjoyed going on trips outside the nursery exploring the environment and learning about the outdoors.

What fun we all had jumping in puddles and spotting different objects!
