

Abbeywood Tots (King Street) Newsletter - February 2018

Pre-School

This month the Frogs have enjoyed setting up different expressive media activities, they held a puppet show where they took it turns to be a different animal whilst others welcomed the children into their seats taking their tickets and welcoming them into the show. The frogs have also been exploring people in the community and how they can help us then acting out from experiences the children may have had or seen.

Caterpillars and Butterflies

Babies this month have enjoyed exploring new textures and tasting new foods, experimenting with the different tastes from the different fruits. Babies also enjoyed decorating their own pancakes to celebrate pancake day.

Tadpoles

The Tadpoles visited Queen square to do some physical activities exploring the green, running, jumping and using different objects to make their very own obstacle course to follow.

Trips

The babies enjoyed an exciting trip to Windmill Hill city farm. Having lots of fun splashing in the puddles, looking at all the different animals and experiencing the different noises the animals make and food they eat. It was so much fun they all had a nap on the way home!

Getting Involved

Information evening: - We will be having our bi-annual information evening soon; our topic will be Communication and Language. Please come along from 6.30pm if you would like to understand more about how we promote C&L within our learning each day - Monday 12th March.

Stay and play: - Come and book a time to join in with your child's play. This is lovely opportunity to see what your child does during their day to day nursery life as well as have an informal chat with your child's keyworker.
