Frogs (pre-school)

In Preschool we have been doing activities based around Spring and Easter. We made Easter cakes and cards and explored making and decorating Papier Mache eggs. We talked about the life cycle of a chick and sequenced it.

We have been spending a lot of time in our nature garden, exploring the changes in the seasons and in the weather. We collected natural materials to make a nature collage. We have been talking about growth and change over time and planted seeds in our wellie boots and large tubs in our planting area outside. We have been taking it in turns each day to water them to help them grow.

Tadpoles (2yr olds)

In the 2 year old room we have been focusing on the story Whatever Next.

We used cardboard boxes to make spaceships like in the story and acted out going to Space. We pretended to be robots / aliens and tried to talk like an alien.

We have also focused on the story of Jack and the beanstalk which led to us talking about growing. We made a height chart; we explored making tissue paper flowers; we made a beanstalk out of twigs and leaves and we explored planting cress seeds.

Butterflies (babies)

In the baby room we have been focusing on Spring and changes in the world around us. We went to the nature garden and picked sticks and other objects to explore in our tuff spot and stuck these down to make spring pictures. We made flower pictures and explored the look and feel of real flowers. We have also been on an animal hunt in our tuff spot tray, searching for animals hidden in shredded paper and having a go at making the noises that animals make.

'Wow' moments

We are really interested to know what you are doing outside of nursery.

Please email bev.martin@abbeywoodtots.com any photos so we can talk about them during our group times and display them in our rooms.

Don't forget to bring in wellington boots and waterproof clothing for your child! We go outside in all weathers!! The weather is getting warmer, please make sure you provide a sunhat and suncream daily.
